## **RESPONSE**

I am pleased that the Government of Canada has (finally) decided to address my proper judicial annuity.

However, the statutory reference to a proposed amendment (in paragraphs 169-172 of the Government's Main Submissions dated February 29, 2016) is incorrect. When I stepped down as Senior Judge in December 2007, I elected supernumerary status. Hence, the proper statutory reference to my annuity is subsection 43(1) and not subsection 43(2).

RESPECTFULLY SUBMITTED

HON. J.E. (TED) RICHARD  
MARCH 2016
